3. Circular Memorandum No. 119460/ECBI/88/GAD, dated, 29th October 1983 from the Central Admn. (Employment Cell-B) Department

1. In the Government Orders cited the employers were required to furnish the result of selection of candidates advised by the Employment Exchanges within a fortnight, at the latest. This has been reiterated in the circular memorandum 3rd cited.

2. It has now been brought to the notice of Government that the result of selections against vacancies notified to the Employment Exchanges are not generally received in the Employment Exchanges from the employees.

3. The Comptroller and Auditor General of India, in the audit report has also pointed out that certain employers are not prompt in intimating the result of selection of candidates sponsored by the Employment Exchanges. Such non-intimation results in erratic and irregular submission and vitiation of communal rosters.

4. Government therefore direct that all employers in the Public Sector Undertakings/Corporations/ All Heads of Departments/Offices should communicate the result of selection on the list of candidates sponsored by the Employment Exchanges to the Employment Officer concerned within a fortnight from the date of selection. Failure to do so will be seriously viewed.
