Government of Kerala Finance (Pension-B) Department CIRCULAR

No. 59/04/Fin

Dated, Thiruvananthapuram 6th November 2004

Sub:- Disbursement of pensionary benefits of State Government Employees on the day of retirement itself-Guidelines issued.

Ref.- Lr. No Co-ord. II/11-130/Vol. X/1/4 dated 2-4-2004 of Accountant General (A&E), Kerala, Thiruvananthapuram

- 1. The Accountant General (A&E) in his letter cited has offered certain suggestions for facilitating disbursement of pensionary benefits of State Government Employees on the day of retirement itself
- 2. Government have examined the matter in detail and all Pension Sanctioning Authorities/treasury Officers are directed to comply with the instructions given in the subsequent paragraphs
- 3. Authorization of Pension/DCRG etc.- To facilitates early authorization of pensionary benefits it is essential that the employees/pensioners and the Pension Sanctioning Authorities should be made aware of the procedure of applying for and sanctioning pension. Imparting of periodical training to the officers and staff of the Pension Sanctioning Authorities should also serve expeditious settlement of pension. For this purpose a brochure (coy enclosed) has been brought out which indicate as to how and when the application has to be made/proccessed.
- 4. Closure of PF Accounts Heads of Departments/Offices should ensure that the closure application in complete shape reaches the Accountant General at least two months prior to the date of retirement so that the Accountant General will be also to process it and authorize the GPF balance on the date of retirement itself.
- 5. Settlement of liabilities.- For the early settlement of liabilities outstanding and disbursement of pensionary benefits to the retired employees of State Government on the day of retirement itself it is suggested that the Departmental Offices may take the following course of action;-
 - (i) A list of officers both gazetted and non-gazetted showing name broadsheet No. of HBA/MCA/PCA address date of retirement etc who are due to retire within a period of one year in which cases loans and advances are outstanding will be sent to the Accountant General.
 - (ii) The case should be properly followed up until the whole amount of advance us repaid in full and then liabilities should be ascertained from Accountant General

- (iii) In case any liability is outstanding as intimated by the Accountant General it may be included in the Liability certificate issued to treasury Officer for effecting recovery from DCRG and remittance to the head of account concerned.
- (iv) In cases which liabilities are outstanding only liability certificates which specify the amount to be recovered and the Head of account to which the amount is to be credited should be sent to the Treasury Officer.
- (v) Liability Certificates specifying amounts to be withheld or showing liabilities towards non governmental dues should invariably be sent to the Accountant General after obtaining consent from the pensioner to recover such dues from Death-cum-Retirement Gratuity and showing the designation of the Drawing and disbursing Officer in respect of the retired employees so that Accountant General can authorise him to draw and disburse the recovered amount to that agency
- (vi) The Treasury Officers if they get Liability certificate which they cannot act upon should return the GPO with the Liability certificates to the Accountant general with Non-payment certificate under intimation to Pension Sanctioning Authority so that Accountant General can authorise payment of the balance Death-cum-Retirement Gratuity to the pensioner.
- (vii) On completion of recovery of principal interest due on the advance shall be worked out and intimated by Accountant general (A&E) to the Department and the officer. But it is desirable if request for intimation of for any reason interest die cannot be worked out finally recovery should be made provisionally at the fixed for the recovery of the principal.
- (viii) In case of urgency loanees are [permitted to make lumpsum chalan remittance to close their loan accounts. As the credits cannot be verified at Accountant general's Office instantly remittance certificates for the Treasury is necessary in such cases for issuing clearance certificates in respect of the advance
- (ix) On completion of repayment of principal and payment of interest loanee can send formal request for closing the account well in advance so that the account can be closed and Clearance Certificate issued before retirement.
- It must be ensured by the departmental officers that the document such as utilization certificate in respect if HBA and Mortgage Bond cash receipt and Insurance Policy from the State Insurance Department in respect of MCA are forwarded to Accountant General's Office within the stipulated period, in order to avoid levying of penal interest. As contemplated in Article 244 E (iv) of KFC Vol 1 it is the duty of the Head of the Department/Sanctioning Authority to watch the utilization of the advance and to forward the Utilization Certificate furnished by the loanee to the Accountant General (A&E) for verification further any amount not utilised should be refunded to Government with interest in lump. As pr Article 244 D (2) of KFC Vol. I penal interest at 2.5% over and above the normal rate of interest will be levied in respect of over-due installments of interest of principal and interest outstanding from time to time in cases where there is any default violation or breach of all or any of the provisions contained tin these rules.

- (xi) As per G.O (P) No. 591/97/Fin dated 17-6-1997 Government introduced a scheme of write off/waiver up to Rs. 2 lakh of outstanding liabilities of loans and advances granted to the employees dying-in-harness. Government have clarified vide G.O. (P) 919/97/Fin dated 27-10-1997 and G.O. (P) 1932/98/Fin dated 17-8-1998 that the benefit contemplated in Government Order dated 7-6-1997 will be available to all cases for outstanding liabilities pending settlement as n 17-6-1997 while the remittance of installments were going on in usual course as per the conditions of the sanction Order. Hence in the case of officers who die-in-harness the Departmental Officers nay assess the liabilities outstanding against the officers from Accountant general and obtain sanction for write-off/waiver from Government and settle the claims of the officers who die-in-harness early
- 6. Creation of database.- The Accountant General has decided to set up a database of employees to monitor the receipt and disposal of authorisation of retirement benefits. The database with GPF Account as the ID should invariably contain the following details:-
 - (i) Name of Department
 - (ii) Name of employee
 - (iii) GPF Account No with prefix
 - (iv) DDO/SDO Code (current)
 - (v) Treasury Code (current)
 - (vi) Designation
 - (vii) Office Name (current)
 - (viii) Office Address (current)
 - (ix) Gazetted entitlement number (indicating Department/Section Alphabet/Index No.)
 - (x) Date of birth
 - (xi) Date of joining service
 - (xii) Date of retirement
 - (xiii) Broadsheet No of loan (HBA/PCA/MCA/IFL, etc (In separate fields)
 - (xiv) Email ID
 - (xv) Residential address for communication
 - (a) Before retirement
 - (b) After retirement
