

GOVERNMENT OF KERALA
ABSTRACT

Local Self Government Department – Ease of Doing Business – Reforming and simplifying the existing procedures for providing conducive and fast-track environment for starting business enterprises-Issuance of permit for Building Development Plan-Orders issued.

LOCAL SELF GOVERNMENT (RC) DEPARTMENT

G.O(Rt) No. 3358 /2017/LSGD

Dated, Thiruvananthapuram, 23/10/2017.

Read: D.O letter dt. 14/08/2017 from Sri Paul Antony, Additional Chief Secretary to Government, Industries and Power Department.

ORDER

The Department of Industrial Policy and Promotion (DIPP), Government of India has laid emphasis on simplification and rationalization of the existing Rules and inclusion of Information Technology for Ease of Doing Business. Accordingly, the Industries Department has identified and recommended certain reforms required for making favourable and conducive atmosphere for starting new business enterprises.

One of the major reforms recommended by the Industries Department in the letter read above is to ensure that online inspection reports are submitted within 48 hours of the receipt of application for the issuance of Building/Development Permits and Occupancy Certificate.

Government have examined the matter in detail and are pleased to order that the officials concerned in the Local Self Government Bodies shall ensure that online inspection reports for the issuance of Building/Development Permits and Occupancy Certificates shall be submitted within 48 hours of the receipt of application.

(By Order of the Governor)
