Sub: Special recruitment of Scheduled Caste/Scheduled Tribes Candidates to make up the backlogs in appointments in Public Sector Undertakings – Clarification – Reg.

Managing Director of a State Public Sector Undertaking has sought Government clarification as to whether Scheduled Caste/Scheduled Tribe candidates belonging to outside the State, but whose caste have been included in the Schedule of Kerala Service Manual can be considered for appointment by special recruitment against the posts reserved for Scheduled Caste/Scheduled Tribes in Public Sector Undertakings.

The issue was examined in detail and Government are pleased to clarify as follows:

The Principle of reservation as applicable to Government appointments shall be followed in the matter of all appointments in Public Sector Undertakings. The principle of reservation for members of Scheduled Caste/Scheduled Tribe as applicable to Government Service imply that the candidate should be member of Scheduled Caste/Scheduled Tribe of Kerala. Hence members of Scheduled Castes/Scheduled Tribes of this State alone need be considered for appointments by special recruitment against the post reserved for them by the Public Sector Undertakings of the State.
