

PLANNING AND ECONOMIC AFFAIRS (BPE) DEPARTMENT
No. 37178-H1-92-ID, Thiruvananthapuram,,
dated 5th March 1994

CIRCULAR

Sub: Public Sector Undertakings- Deputation of Personnel to foreign countries-Instructions Issued.

It has come to the notice of Government that personnel working in Public sector Undertakings are deputed to foreign countries for various purposes without the prior approval of Government. The Chief Minister has shown serious concern on the above act of certain Public Sector Undertakings and ordered that nomination of officials for training abroad should be done only with the prior approval of Government. It is not proper for Managing Directors to take Government for granted. All the visits to foreign countries involve relaxation of economy orders which is within the power of the Chief Minister. It is not proper on the part of the officials trying to assume these powers themselves.

In the circumstances all Chief Executive of Public Sector Undertakings under Industries Department are directed to obtain prior approval of Government for deputation of personnel to foreign countries. This may be strictly adhered to.

V. RajaGopalan
Special Secretary to Government
