

PLANNING AND ECONOMIC AFFAIRS (BPE) DEPARTMENT

**No. 16340/BPE-2/96/Plg., Thiruvananthapuram,
Dated, 20th September 1997.**

CIRCULAR

Sub.- Selection of personnel's in Public Sector Undertakings –
Streamlining of – Instructions issued – Modified.

Ref:- 1. Circular No. 14896/BPE-2/91/Plg., dated, 28th February 1992.
2. Lr.No. 01/17956/92, dated, 28th April 1995 from the Employment Director

As per the Circular cited recruitment to Managerial and Professional posts in Public Sector Undertakings carrying basic salary (excluding D.A. and other allowances) of Rs.1500 per month and above shall be made by selection from the applications received through sufficient advertisements in News papers. The Director of Employment has proposed that the basic salary of Rs.1500 mentioned in the Circular may be enhanced to Rs.5000.

Government have examined the above proposal in detail. The scale of pay of managerial posts in almost all Public Sector Undertakings are similar to those in Government service with D.A. at Government rates. When the basic pay at Rs.1500 was proposed in 1992 the basic starting pay of Doctors, Engineers, etc., in Government service, which require professional qualifications, was Rs.1450. The basic pay in regard to the above posts requiring professional qualifications has been enhanced to Rs.2000 on implementation of central parity scales. Considering the above facts the salary limit of Rs.1500 per month mentioned in sub-para (ii) of the Circular cited is enhanced to 2000 per month (excluding D.A., and other allowances).

The instructions issued in the Circular cited should be modified to the above extent.

JOHN MATHAI,
Principal Secretary
