Sub- Disbursement of Social Security Pensions through DCB/PACS – Proper data entry – reg

In the recent review meetings held by Government on the progress of the disbursement of Social Security Pensions through DCB/PACS, it is come to the notice that the data entry at different levels is not being updated in time. For ensuring uninterrupted availability of funds, it is necessary that the data in the Sevana system should be updated immediately after disbursal. Government have released sufficient funds to the DCBs in advance with direction to transfer the funds to the PACS with immediate effect.

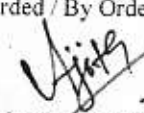

Considering the importance of the matter, all concerned are instructed to ensure that the data entry of transfer of funds from DCB to PACS as well as disbursement details (Form No.2) submitted by the disbursing incumbents / bill collectors are to keyed in instantly/properly as per the instructions issued from Information Kerala Mission and Registrar of Co-operative Societies in this regard
