ORDER

Government have introduced the system of providing General Purpose Grant and Maintenance Grant to Local Self Government Institutions based on the recommendation of Second State Finance Commission. In the Government Order read as 1st paper above basic guidelines were issued for the utilization of General Purpose Fund (Funds for Traditional Functions) and Maintenance Grant. Thereafter modifications and additions were made to these guidelines from time to time as per the Government Orders and Circulars read as 1st to 10th papers above.

2. Experience shows that Local Governments have not been using the Non-road Maintenance Fund properly and they have been requesting Government from time to time to allow Non-road Maintenance Fund to be spent on roads. Non-road Maintenance Funds was created by pooling and rationalizing the funds earmarked for maintenance under different departments like Health, Social Welfare, General Education etc. Therefore allowing diversion of funds would bring in distortions in the maintenance of assets of the transferred institutions.

3. This issue was discussed in detail in the Co-ordination Committee on Decentralization. Accordingly, Head of Departments were asked to submit proposals for the revision of guidelines for the proper utilization of non-road Maintenance Fund. After scrutinizing the proposals certain new works / items have been identified in keeping with the spirit of asset renewal policy of the State Government.

4. Government have examined the matter at length and are pleased to accord sanction to utilize the Maintenance Grant (Non-road) earmarked to Local Self Government Institutions for

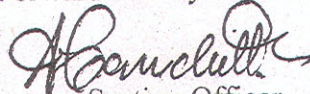

the additional works / items listed in the Annexure to this order as they will enhance the quality of public service delivery institutions significantly.
