Read:- Letter No:AAI/SR/RED/ATM/2017 dated 25.07.2017 from Regional Executive Director, Southern Region, Airport Authority of India.

ORDER

As per letter read above, Airport Authority of India (AAI) has informed that they have moved from manual processing of No Objection Certificate (NOC) to web-based system called NOCAS since 2011. AAI has also implemented Colour Coded Zoning Maps (CCZM) for ease of doing business. The next step is to integrate NOCAS with other web-based approval systems of the Urban Local Bodies for Ease of Doing Business (EODB) under single window clearance so that NOCAS will fetch the required data from the servers of ULBs, process and return NOCs to applicants through ULBs. AAI has requested Government to initiate integration of web enabled building permission systems of ULBs with AAI's NOCAS system and to designate a nodal point of contact for taking this project forward to its fruition.

2) Government are pleased to appoint Sri. Neelakantan D.S., Deputy Director (Technical), Information Kerala Mission (Mob. - 94467 95639) and Sri. Mahesh U. Gopal , P.M. Sanketham KMBR / KPBR , Information Kerala Mission (Mob. - 98457 65338) as Nodal Officers for implementing this project.
