ORDER

Government as per GO read as 1 st paper above has approved the Rebuild Kerala Development Programme (RKDP) to promote policy and institutional reforms in order to enable long-term resilience to climate change effects and disasters. It is financed through a Program for Results (PforR) designed with the World Bank to achieve results organized in ten indicators (DLIs) . In addition to the mobilization of own resources by the GoK, RKDP is co-financed by IBRD, AIIB and AFD.

The Government of Kerala has secured external funding of Euro 100 million from the Agence Française de Développement (AFD) for the Resilient Kerala Program under the Rebuild Kerala Initiative. Additionally, a technical assistance program worth Euro 5,0,00,000 has been attached to enhance institutional partnerships between French and Kerala Institutions, aiming to bolster territorial resilience.

A tripartite Memorandum of understanding has been signed among the Government of Kerala, The Center for Studies and Expertise on Risks, the Environment, Mobility and Planning -CEREMA (technical partner) and L'agence Francaise De Development -AFD (Agency) for this technical assistance program. The MOU outlines in-kind technical assistance through classroom or online training on integrating risk information into urban planning, followed by a field visit to France.

The team leader, DL14, vide email read as fourth paper above and the Chief Town Planner as per letter read as fifth paper above, have proposed the following officers for permission to attend the training program -News on the hydraulic modeling study and study trip in Bordeaux, France scheduled for the second week of December 2024. All expenses related to this training program will be borne by CEREMA as part of the AFD mission and funding.

1. Rajesh.P.N Team Leader, DLI4
2. Antony Augustine, Consultant, Urban Planning and Design, KILA
3. Hinduja.V.L, Deputy Town Planner.
4. Kiranchand Vayyat, Deputy Town Planner, Chief Town Planner (Planning) office.
5. Asha Ajoy Ghosh, Senior Town Planner and Nodal Officer DLI4, Chief Town Planner (Planning) Office.

Government examined the matter in detail and are pleased to grant permission for the above officer to attend the training program -News on the hydraulic modeling study and study trip in Bordeaux, France, as per schedule as part of the technical assistance program, facilitated by the tripartite Memorandum of Understanding between Government of Kerala, CEREMA and AFD as a part of Resilient Kerala Program under the Rebuild Kerala Initiative.

(By order of the Governor)
