ORDER

In exercise of the powers conferred by sub-section (3) of Section 50 of the Kerala Town and Country Planning Act, 2016 (9 of 2016), the Government of Kerala hereby vary the Detailed Town Planning Scheme for Kozhikode Beach Area, sanctioned under sub-section (3) of Section 14 of the Madras Town Planning Act, 1920 (Madras Act VII of 1920) issued as per notification issued under G. O. (Ms.) No. 38/88/LAD, dated 25th March, 1988 and published as S. R. O. No. 595/88 in Section iv, Part I of the Kerala Gazette No. 19, dated 10th May, 1988 which is deemed to be a Detailed Town Planning Scheme sanctioned under clause (ii) of sub-section (2) of Section 113 of the Kerala Town and Country Planning Act, 2016 (9 of 2016), to the extent as indicated below:—

VARIATION

In the said Scheme, for clause "10 Reservation of Land and Zoning" and the entries under it, the following shall be substituted, namely:—

“10 Reservation of Land and Zoning

(1) A list of land reserved for streets and for other non-residential purposes is given in schedule IV (Form No. 10) for the purpose of the Scheme, the streets or footpaths which may be approved or made in accordance with the provisions of the Scheme, but which are not mentioned in schedule IV shall also be deemed to be included under the land reserved for the purpose of the Scheme.

(2) (i) All future developments in respect of land within the Scheme area shall conform to the zoning regulation given in the schedule below: (Any use not mentioned therein shall be prohibited).

(ii) For the implementation and enforcement of the proposals envisaged in the Detailed Town Planning Scheme, areas have been zoned under various uses such as residential, commercial, public and semi-public, etc. Details regarding the nature of uses ‘permitted’, uses ‘restricted’ and uses ‘prohibited’ in each zone are given below:

(iii) “Uses permitted” in a zone cover the uses that can be normally accommodated in the relevant zone. In some cases it may be possible to permit some other uses also which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and spatial locational factors. Such cases, which come under this category, are classified as “Uses Restricted”. “Uses Prohibited” enlists the various objectionable uses in each zone, which shall not be permitted under normal circumstances.

(iv) The said Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations unless otherwise specifically mentioned in the Scheme. They are essentially intended to help the competent authority in taking decisions regarding granting or refusal of permission for land use conversions and construction of buildings/structures or any other matter specifically mentioned in these regulations.

(v) Existing areas and structures of archeological importance and religious uses may be permitted to continue in all zones.

(3) Large scale development proposals in an area not less than 5 Acres, exceeding an investment of Rupees 50 crores, which provide direct employment (after commissioning of the project) to the tune of not less than 500 persons and medium scale development proposals in an area not less than 2 Acres, exceeding an investment of Rupees 25 crores, which provide direct employment (after commissioning of the project) to the tune of not less than 300 persons may also be permitted in all use zones subject to the recommendation of a committee to be constituted by the Government for this purpose, under the chairmanship of the Secretary, Local Self Government Department, consisting of the Chief Town Planner, Department of Town and Country Planning, Government of Kerala, Regional Town Planner, District Office of the Department of Town and Country Planning, Kozhikode and the Secretary, Kozhikode Corporation; and also satisfying the following conditions, namely:—

(a) The developer shall produce project cum feasibility report and Environmental Impact Assessment Report, if required, of the project to the convener of the committee, 15 days in advance of the committee meeting.

(b) The developer shall produce before the committee all required clearances from the State and Central Government agencies concerned.

(c) Adequate provision shall be made for supporting infrastructure such as water supply, sewerage, solid waste management etc. Separate waste management plant and solid waste management measures shall be provided and maintained by the developer at his cost.

(d) Adequate Memorandum of Understanding between the developer and the Secretary, Kozhikode Corporation shall be undertaken to bring this into effect.

(e) Maximum permissible Floor Area Ratio shall be 2 and minimum access width shall be 12 meter.

(f) The project shall be completed within a period of 3 years if not specified otherwise.

The Regional Town Planner, Kozhikode shall be convener of the committee.

(4) All other regulations that are not specified in these rules shall be in accordance with the applicable Building Rules in force.”
